

Re-Launch

Ephesians 4:12-16

01

Why Re-Launch?

1. To celebrate all the Lord has done and soberly remind ourselves that with great blessings come great responsibility.
2. To recast the vision of Church at the Mill as a place of New Beginnings and Real Relationships which is possible when Christ followers Gather, Grow, Give, and Go.
3. To help every member connect their personal love and faithfulness to Christ with the health and effectiveness of our church. They are codependent.
4. To rightly refocus our church back on the mission of making disciples of all nations and away from the physical accomplishments of a new facility.
5. To set the stage for our next BIG undertakings: training leaders, church planting, church revitalization, greater missions' mobilization, wider disciple making, and urgent witnessing.

02

A 10 week journey to cease a strategic opportunity to relaunch Church at The Mill through a new name, a new building, a new book, and a new sermon series recasting our vision in a fresh way.
