

God, Government, War, and The Gospel

I Peter 2:13-17

01

According to God...

- Our Conduct is to be Submission through Faith v.13-14
- Our Criticism is to be Silenced through Faithfulness v.15
- Our Christianity is to be Service through Freedom v.16
- Our Citizenship is to be Seen through Fear, Love, and Honor v.17

04

Gospel Priorities:

- The Unborn
 - Immigration
 - Economics
 - Racism
 - Marriage/sexuality
- ...your Savior, family, church, neighbor, and nation.

02

Two equally important parts:

- Role of God's People
 - Submission

We do not submit out of weakness or fear. It is just the opposite. We submit out of our confidence in the King and our relationship with Him.
- Role of Government
 - Order
 - Justice
 - Intrinsic Value of Human Life
