

Why Judgement Comes

Jeremiah 5

01

Judgement comes when . . .

- Repentance is Refused v.2-6
- Devotion is Divided v.7-13
- Lies are Loved v.22-31

02

Refusing Repentance

- First—Insincerity
- Second—Indifference
- Third—Insubordination

03

In the human heart, prosperity from God often produces the opposite of what one would expect.

04

Lies that were Loved

1. God is not to be feared v.22-24
2. Our prosperity is more important than defending the most vulnerable v.28
3. The truth is not the truth v.30-31

10 Modern Day Lies

1. Abortion is not murder
2. Man is not created male and female and marriage does not belong to one man and one woman
3. Sex is not a big deal and does not belong to marriage (So don't stress over covering your daughters in modesty and demanding your sons learn respect and self-control. And if you're an adult, well, that's different. . .)
4. Your kid's athletic career is more important than you consistently leading your family to church on Sundays
5. Go ahead, hand your kids a mobile device filled with instant access to every form of wickedness and hope for the best
6. Trash on your T.V./device is ok because you're an adult and you don't use that language or live that way.
7. The orphan, the immigrant, the poor, or just the person who looks different than you are not as important to God as your people.
8. God's #1 concern is your happiness and prosperity here on earth.
9. As long as you believe in Jesus you don't really have to spend time with Him in prayer and in His Word. He knows how busy you are.
10. You can truly believe in The Bible, Heaven, Hell, The Risen Lord Jesus, Salvation, and Eternal Life without becoming devoted to serving Him, sharing His love, and deeply desiring to see people saved. Christian-Lite is a thing, right?
