

Saints Together

I Corinthians 1:1-3

01

In a world of groups, sects, organizations, movements, and agendas, it has never been more important for the church to truly be the church.

05

Saint does NOT mean...

- Spiritually Above (Roman Catholicism)
- Spiritually Arrogant (“holier than thou”)

02

It is important to understand...

- The Author v.1
- The Recipients v.2
- The Greeting v.3

06

Our positional holiness in Christ is NOT achieved, it is received.

03

Paul shows us...

1. Their Unique Location
2. Their Undeserved Separation
3. Their Unlikely Designation
4. Their Universal Participation

07

We belong to the Corinthian church, and they belong to us.

04

We ought to be “set apart” in...

- Law and lawsuits
- Sex, love, marriage, and divorce
- Stumbling blocks for others
- Integrity of spiritual leaders
- Reverence and order in our worship
- Hope in the resurrection
- Benevolence and charity to others
